Anderson Animal Shelter
A Humane Society

We've Unleashed Our 2010 Kids & Kritters Program!

Kids & Kritters (KNK) sessions are two-hour interactive animal encounters where participants ages nine through twelve will learn about animals, engage in hands-on activities with shelter residents, and have fun! Each month a new topic will be explored. The cost is just $5.00 per session so plan to join us every month!

Sessions are held:
Mondays 6:00pm – 8:00pm
Thursdays 4:00pm – 6:00pm.

Registration is limited and taken on a first-come, first-served basis one month prior. Register by emailing afriedman@andersonanimalshelter.org or calling 847-697-2880 ext.*51.

March: **The Cute, Fuzzy, and Time Consuming Easter Bunny!**
Yes, bunnies and rabbits are pretty adorable, but they also can live for twelve years (or more)…that means until KNK participants are between twenty-one and twenty-four years old! Therefore, we'll discuss why they don't make the greatest Easter gifts and make a cute bunny themed treat.

You'll expand your knowledge of the shelter in this exciting interactive activity! Will your team be the first to complete the mission? Join us for the challenge!
